Phaseolus vulgaris, also known as the common bean and French bean, is a herbaceous annual plant grown worldwide for its edible dry seeds or unripe fruit (both commonly called beans). The main categories of common beans, on the basis of use, are dry beans (seeds harvested at complete maturity), snap beans (tender pods with reduced fibre harvested before the seed development phase) and shell ...

Rare, medium or done? A Western history of definitions & preferences According to the Oxford English Dictionary, the word "rare," counterbalancing "done" describing the doneness of meat, descends from the word "rear," meaning imperfectly cooked or underdone. The original culinary use described eggs. The earliest print reference to the word "rare" relating to meat cookery is circa 1615.
