The Callan Method Revolution. The Callan Method, created in 1959 by Robin Callan, is the method that revolutionized the English learning system and is nowadays used in over 25 countries around the world. The Callan Method's effectiveness is based on two main factors:. The practical approach, taking into consideration that practice is essential to having a good command of a language.

Callan for Kids Stages 5 & 6 - Callan Method Organisation

Third pillar of the Callan Method In dictations, students practise the vocabulary they have previously learnt in class, exercising their written English (once they recognize it and know how to use it orally). Students practise writing via dictations, testing their oral English comprehension without the support of the context. Working with different teachers enables the students to get used ...
