In Invisible Influence, Jonah Berger "is consistently entertaining, applying science to real life in surprising ways and explaining research through narrative. His book fascinates because it opens up the moving parts of a mysterious machine, allowing readers to watch them in action" (Publishers Weekly).

Invisible Influence | Book by Jonah Berger | Official ...

(Berger explains the same applies to clothing, voting and even courteous driving.) People could see social influence affecting others' behavior, but not their own. Invisible Influence is about the simple, subtle and often surprising ways others affect our behavior. It organizes the experimental results of the science of social behavior into five insights, each of which has implications for marketers.
