During The Bobby Bones Show a few weeks back, we read a story out of Kentucky where students were dressing and acting like cats.. So the show decided to do a spin-the-wheel segment and make someone on the show wear a cat tail for two days. After several people got eliminated, it came down to Bobby Bones as the loser. He had to rock a cat tail for two full days after it arrived to the studio.

Meditation reduces stress and anxiety in general. A study from the University of Wisconsin-Madison indicates that the practice of "Open Monitoring Meditation" (such as Vipassana), reduces the grey-matter density in areas of the brain related with anxiety and stress. Meditators were more able to "attend moment-to-moment to the stream of stimuli to which they are exposed and less likely to ...

Keeping it awkward, brave, and kind. In part two of my conversation with writer, activist, and friend Karen Walrond, we talk about the connection between activism and spirituality, listening to the whispers that are calling us, and the self-inquiry strategies that help us know what we're supposed to be doing.
