On July 3, 1971, Jim Morrison was found dead in his bathtub in his apartment in Paris at age 27. The local police listed the cause of death as heart failure, although most assume that his heart failure was alcohol, even drug related. News of his death was withheld for nearly a week, which fueled rumors that he faked his death.

The Shrieking Shack is an abandoned house in Hogsmeade. For many years, villagers thought it was haunted because they often heard screams coming from inside, and Albus Dumbledore encouraged the rumour, as he was the one who commissioned it, due to Remus Lupin's Lycanthropy. According to Nearly Headless Nick, not even the Hogwarts ghosts will enter it. The Shrieking Shack's entrance from the ...
