Mention the word trauma to Americans in the 21st century, and their thoughts are likely to turn to images of terrorism, war, natural disasters and a seemingly continual stream of school shootings. The horrific scenes at Newtown and Columbine still dominate public consciousness, particularly when our society discusses child trauma. While those events make headlines,...continue reading

The toll of childhood trauma - Counseling Today

Lots of girls and guys worry about when their bodies will develop. Guys wonder when their voices will get deeper, when they'll need to shave, or when their penises will grow. Girls want to know when their breasts will develop or when they'll get their first period. If a friend or a younger brother ...

When Will I Start Developing? (for Teens) - Nemours KidsHealth

As states have begun to legalize marijuana, its use has been more openly discussed. While the effects of other commonly used drugs, such as alcohol, have been studied extensively, the effects of marijuana – especially on developing babies during pregnancy – have been much less studied and less widely publicized. This relative silence from the scientific community has affected the public ...

How Marijuana Exposure Affects Developing Babies' Brains ...

We have learned, in the last few months, a lot about the cell line HEK293, derived from the remains of an unborn child in the Netherlands in 1973. Not only is it the most common cell line used in vaccine production and testing (even the synthetic mRNA vaccines made by Moderna and Pfizer had recourse to it

in testing), but it is, apparently, ubiquitous in modern life.

Does the Origin of the Fetal Cells Used for Developing ...

What is a rule of life? A rule of life is a schedule and set of practices and relational rhythms that help us create space in our busy world for us to be with Jesus, become like Jesus, and do what he did—to live “to the full” (John 10v10) in his kingdom, and in alignment with our deepest passions and priorities.
