I. Choosing Between Objective and Subjective Test Items There are two general categories of test items: (1) objective items which require students to select the correct response from several alternatives or to supply a word or short phrase to answer a question or complete a statement; and (2) subjective or essay items which permit the student to organize and present an original answer.

Improving Your Test Questions

The Great Start Readiness Program (GSRP) is Michigan's state-funded preschool for four-year-old children. Families qualify when factors exist in their lives that may place a child at educational risk.
