Mosby's Review Questions For The

Mosby's Review Questions is basically a book and cd of questions and answers that I found to be a waste of time over just studying the information. I also agree with some reviewers on finding the answers to some questions to be wrong. I don't like how this book doesn't give evidence based citations to back up the answers to their questions.

A total of 1,700 review questions are included in 17 practice exams in the book and online. 100-question format of each practice exam simulates the PTCB and ExCPT exams, with multiple-choice questions and the same balance of content, for a realistic test taking experience.

Mosby's Review for the Pharmacy Technician Certification ...

In regards to questions being wrong, I found a few test questions that were wrong, specifically a cross-sectional anatomy question and a couple others, but overall this book is very reliable. I read the Mosby's book occasionally through out my 6 months, just glancing over it. Then about 2 weeks before my test I did some hard core studying.
