This partisan influence on policy preferences and moral judgements is a cause for both hope and concern. On one hand, it reiterates a point made by Daniel Yudkin in a New York Times op-ed about the More in Common report: that the U.S. may actually be less politically polarized based on certain moral or policy issues—at least when there aren't clear partisan associations.

### What Are the Solutions to Political Polarization?

Current trends are for more wireless solutions. Technologies like RF and Bluetooth ® are predominant, and LINAK ® uses and supports both. The latter also allows us to offer control software for mobile devices, so users can control their desk, comfort bed or workstation with a simple touch on a smartphone screen.

THE OBSTACLES: The wind may blow for free, but time is money. Sail shipping is slow and labor-intensive compared to other methods of moving stuff from one place to another. And after almost 200 years of relying on fossil-fueled transport, Hudson River port cities no longer have solid logistical systems in place to support the movement of goods by sail.
