Public opinion indeed depends on the strategic narratives formulated, but only when seen in conjunction with the counternarratives produced by opposing parties. Thirdly, we conclude that in trying to craft coherent strategic narratives and to control the emergence or dominance of counternarratives, governments are conditioned by their level of autonomy and corresponding elite responsiveness.

...

Strategic Narrative. A common theme noticed by David MacLeod and Nita Clarke in organisations with both high levels of employee engagement and high levels of performance was a strategic narrative about the organisation, that is compelling and authentic, provided by leaders who are empowering and visible.. So let's unpack that starting with the strategic narrative.
