Thats What She Said What

a sexual innuendo, if something can be said in the bedroom but is said in an everyday conversation you can say thats what she said

Urban Dictionary: thats what she said

Thats what she said is a response to when someone makes a comment that could be taken sexually, often as a pun, if viewed outside of the original context. Of course, not every instance of the phrase that what she said, with its common and everyday words, is joking. That's what she said is often used to disparage a man, imagining the phrase as something a woman would say about him in bed.

thats what she said - Dictionary.com

Throughout Michael's seven seasons on the show, he dropped the "that's what she said" joke quite often, and it didn't matter who he was talking to. If the situation called for it, Michael said it. A few years ago, when I moved to Colorado, I bought a Geo Tracker for some light offroading and use during bad weather. My wife hated it. After I put a two inch lift and some new wheels/tires on it, she loved it. Admittedly, it looked way cooler with the mods, and it was a little beast in the mountains. I loved the looks I got from the jeep crowd.

Two extra inches make a big difference. That's what she said

Oh my goodness, you said this was a waste of our time. This is maybe the most important thing we can talk about. The freedoms that are being taken from the very people we represent. Something that doesn't exist. You got to be kidding me. This is kind of stuff that just ticks me off because this is so basic.
